

Privacy Policy Notice:

Thank you for visiting the PHIN MQF web site and for reviewing the PHIN MQF's Privacy Policy. The PHIN MQF web site is sponsored and supported by the CDC. No personal information is collected or stored by the PHIN MQF web site. Only messages containing fictitious or de-identified data should be submitted to PHIN MQF for structural validation.

While browsing and/or using the PHIN MQF web site, certain information will be gathered and stored automatically about the visit. This information does not identify the user personally. PHIN MQF automatically collects and stores only the following visit information:

- Client IP Address
- User Name
- Service Name
- Server Name
- Server IP Address
- Server Port
- Method
- URI Stem
- URI Query
- Protocol Status
- Protocol Substatus
- Win32 Status

Collection and analysis of this information in the aggregate will help us enhance site performance, improve informational materials available on our web site, and improve overall customer service. If an e-mail message is sent to PHINMQFSupport@cdc.gov, PHIN MQF will maintain the information in accordance with applicable federal law. PHIN MQF does not disclose, give, sell, or transfer any information about CDC web site visitors unless required for law enforcement or otherwise required by law.

This site is maintained by the U.S. Government and is protected by various provisions of Title 18, U.S. Code. Violations of Title 18 are subject to criminal prosecution in Federal court.
